craft beer

LITTLE BANG BREWING, Stepney S.A- *est. in 2013 battle of the home brewers. Just like our friends over at Shifty Lizard, these nerds started in 2013 crafting their beer with a mis-match of beer and wine making equipment from their own backyard. Since 2016 they have a bigger shinier presence at Stepney, still making unfiltered, preservative free and vegan friendly beers.*

Ale ABV 5.0% \$10.0

This beer is simple in name but complex in flavour. Technically a lager or is it more of an IPA? Great hoppy flavours to give the lager a real flavour but with the fruitiness and bitterness of a great ale. It fits somewhere in between, best try to find out for yourself where it sits.

SHIFTY LIZARD, Willunga S.A- *est. in 2015 the dream was created long before with two mates in the Happy Valley. The original beers were developed by trial and error in the back shed of Lees parents' house before making commercial quantiles in McLaren Vale. Check out their tap house in Willunga.*

Pale Ale ABV 4.1% \$8.5

This was 1 of the 2 original beers to be produced by the company. This is light and more traditional style English pale ale with well-balanced tropical notes and touch of citrus on the back palate.

COLONIAL BREWING CO., Margaret River W.A - *est. 2004 this brewery with a mix of talented brewers including the first Australian to complete their Master Brewing qualification through Siebel, Doemans and the World Brewing Association boast breweries from west to east coast.*

Small Ale ABV 3.5% \$10

Small in ABV but high in flavour created for those on a lunch break, or perhaps looking to have more than one. Gentle malt and hops gives a lovely layering of citrus and pine flavour.

craft beer

STONE AND WOOD, Byron Bay NSW – est. 2008. *As most of these stories go, some mates decide to brew their own beer and what they designed could arguably be more than a beer, but a new style altogether. The Pacific ale was born.*

Pacific Ale

ABV 4.4%

\$10

This award winning beer has been consistently voted in the top craft beers of Australia. Sessionable ale with full flavour this Pacific ale is refreshing on the palate with tropical and stone fruit flavour.

CVBC, Clare Valley S.A. – est. 2013 *what else does wine country need? - A brewery to quench ones thirst. This is the essence of Clare valley with an aquifer underneath them they can draw on most vital ingredient from the own backyard*

RED IPA

ABV 6.9%

\$11.0

With generous quantities of red x and caramel malts there is an intense depth of toffee and biscuit flavour. Balanced with the addition of citra and summit hops to provide tropical melon characteristics. Perfect for those times that the sun is out, but not quite enough to wear shorts.

MODUS OPERANDI, Syd N.S.W – est. 2012 *Setting up shop in Mona Valley on the northern beaches of Sydney, They learnt their knowledge on a sabbatical in USA where they travelled from brewer to brewer learning and tasting as they went. Their Modus operandi – Beer first, No Shortcuts*

Session IPA

ABV 4.1%

\$14 [500ml]

This is a tongue walloping hop filled beer courtesy of some of USA's finest simcoe, citra and chino hops. Creating full flavour beer, well balanced bitterness and a dry finish importantly with only half the guilt. Enjoy one more than you might otherwise.

tonic and bitters

Schweppes Indian Tonic Water	3.0
Fever Tree Tonic Water	3.0
Fentimans Tonic Water	3.0

(Served in 15ml doses)

As an alternative to tonic-why not “Pimp your favourite Gin” we suggest these are served long over ice and topped with lightly sparkling water or soda and tonic bitters rather than tonic.

Light and refreshing it adds a new twist to your preferred Gin.

One part tonic bitters, 2 parts Gin and 3/4 parts soda water is what we suggest for the perfect G&S!

Jack Rudy Small Batch Tonic USA

With cane sugar to sweeten the quinine this provides a nice backbone for a lighter and bright classic G&T

Jack Rudy Elder Flower Tonic USA

A tonic with more body & a bolder finish best for the cooler months

Phenomenal Tonic Germany

A citrus style tonic with hints of lemongrass gives tartness to this refreshing mix

Strong Tonic Hibiscus USA

As the name suggests provides a hibiscus difference for a floral variation

Bitters

Not a fan of tonic? Make a change with a dash of bitters in your mixer. Add to lemonade for an exotic sweet ‘n’ sour combo
Short Serve 1 drop bitters or a long serve 2 drops over ice & topped with your favorite gin + lemonade

Bittermens

Boston Bitters | *citrus & chamomile*

Orchard Street | *celery, apple & vinegar*

Boker’s Bitter | *cardamom, citrus peel & cassia bark*

Xocolatl Mole | *chocolate cinnamon spice*

How do you garnish?

Orange, cucumber, lime wedge, mint leaves
