BIG SHED BREWING CO, Royal Park S.A- est. in 2013

The boys from Barossa started making beers in and old farmers shed back in 2002, and with a decade of trial and error they decided to put up or shut up and go full scale. Releasing their first market ready beer in 2013. What was learned in the Barossa has followed them to the metropolis of Adelaide now brewing in Royal Park with 5 core lines and a range of seasonals for any time of the year.

F-yearh APA ABV 5.8% \$10.0

The Big Shed boys are eccentric lovers of American beers, particularly of the hoppy kind, and their APA isn't afraid to be big and bold as you might expect with such inspiration. It tips the scales at 5.8 percent & offers a solid bitterness derived from its fruit citrus hops. As much as anything, it's about the malt with a rich biscuity caramel flavour running right through the middle too.

Frankenbrown Dark Ale ABV 5.3% \$10.0

This monster beer is a mix of brewing styles. Added hops for continued bitterness & the use of specialty grains to induce consistent coffee and toffee notes makes for a progressive and flavourful ale.

BALTER, Currumbin, QLD- est. in 2016 - *With enjoyment.*

"(v)... to dance artlessly without particular skill or grace, but usually with enjoyment."

With a philosophy that your taste buds come first, Balter is all about celebrating that enjoyment with you, because beer is more than just a drink: it draws tribes together and is a companion to many other great moments in life.

XPA ABV 5.0% \$10.0

This XPA's tropical & floral aromatics set off a fruity palette that will punch your taste buds right in the pleasure zone. Tailored for those who enjoy a fully-hopped beer that's still easy to drink

IPA ABV 6.8% \$12.0

Drinking this IPA is like frolicking naked through a spring forest, then dive bombing off a mandarin-scented waterfall. We're not even kidding.

craft

PIRATE LIFE, Hindmarsh, SA- est. 2014. *Pirates are pretty cool. That said, they are not actual pirates. They just align with some of their ideals. Do what you want, when you want, drink what you want, or even develop an unhealthy bout of scurvy. Enjoy ye mateys!*

Pale Ale ABV 5.4% \$11.0

Whilst hops are central here, they are deeper and darker than those found in the Throwback or IPA. Pine forest floor character you expect from old school West Coast hops alongside citrus elements, and are joined by prominent sharp caramel malts to create a creamy lushness on the palate.

IPA ABV 6.8% \$12.0

The IPA has a gentle orange hue and a round, full bodied malt character care of Pale Malt, Munich and Crystal. Chock full of Centennial, Riwaka and Simcoe the IPA is bright, fruity and full of liquid fun.

Throwback IPA ABV 3.5% \$10.0

Throwback IPA may be mid-strength, but it's certainly no shrinking violet. The nose shows lifted notes of citrus & pine, with an underlying sappy, resinous quality. It's dank & slightly herbaceous. On the palate, oven baked biscuit and toffee malt develops quickly in to bright and juicy citrus. The finish is fresh, with a pleasant lingering bitterness & a hint of spice.

Hazy IPA ABV 6.0% \$12.0

Expect a luminous yellow hue, thanks to a blend of premium malts. Hop additions in the whirlpool and late ferment supply the fruit, while a persistent haze adds complexity to every sip. The nose is packed with mango, peach and mandarin. On the palate, passion-fruit low bitterness and a bright, cleansing mouthfeel.
