## **BIG SHED BREWING CO**, Royal Park S.A- est. in 2013

*The boys from Barossa started making beers in and old farmers shed back in 2002, and with a decade of trial and error they decided to put up or shut up and go full scale. Releasing their first market ready beer in 2013. What was learned in the Barossa has followed them to the metropolis of Adelaide now brewing in Royal Park with 5 core lines and a range of seasonals for any time of the year.*

**Boozy Fruit NEIPA** ABV 6.2% \$15.0

Is the kind of beer you can smell from a metre away. The hoppy aroma is strong, and can be best described as smelling and tasting like juicy fruit chewing gum. its not too high on bitterness and has a thick and creamy full body.

**Golden Stout Time** ABV 5.4% \$15.0

Golden stout time is made to invoke old memories and leave new ones. A hearty stout infused with toffee and honeycomb and light on hops, taking you back to childhood summers spent enjoying golden gaytime ice-creams!

**PRANCING PONY**, Totness [Mt Barker], SA-est in 2011. This herd of ponies know a thing or two about long flavoured beers with bold, big malt flavours and amazing hop aromas that capture the senses. Head brewer, Frank Samson is forever on the hunt for the next brew sensation. Every glass of beer reflects the passion of their team, and such beer is worth sharing.

**Blaze of Haze, Hazy Pale** ABV 4.8% \$12.0

This beer is an easy-going, refreshing beer, Perfect for craft beer drinkers and novice's alike. Creamy mouthfeel and smooth bitterness, with a hint of toasty oat from the malt.

**India Red Ale** ABV 7.9% \$15.0

The India Red Ale is tropical, bold and malty... and dangerously good. Based on the Americal Imperial Double Red Ale this beer has a creamy, thick head and is wonderfully red. Named best beer in the world at the IBC in London 2016. Impressive!

# craft

**LITTLE BANG**, Stepney, SA- est. 2014. Launching with *Galactopus* at over 10.1% American barleywine. Since then they haven't looked back and have grown the range to include over 50 beers ranging from classic international styles, to far out experimental tomfoolery.

**The Perfect Pale Ale** ABV 4.1% \$12.0

Everything is in balance. The hops are popping with floral highlights and just enough bite. Crisp malt character, a little bit of biscuit and a medium-light body for maximum sessionability. When all the elements come together like this, its just perfect. Cheers.

**Undercover Fashion** ABV 6.2% \$14.0

## Police, Hazy IPA

OK trend setters [says Rodney Rude], hers the skinny. The streets are overflowing with fashion victims. This adventure in hops has an epic payload of Mosaic, Citra and Galaxy to drive the fruit truck right off the haze rails and in the, um, you know, Juice or something.

**Dark Arts Choc Stout** ABV 6.5% \$13.0

A dark beer for a dark show, that's what they want, the theatre people. Dark ideas swirled around us. Paranoia. Sinister signs and portents. The occult. We really just wanted to give them chocolates, so we did!
